

# Law and employment

Name .....

Centre .....

When you are at work there are laws that give both employers and employees

- **rights:** to protect you
- **responsibilities:** to ensure that you meet certain standards of behaviour or conduct in the work place

## Health and safety laws

Identify **one** aspect of health and safety law and explain its importance and relevance to both employees and employers.

Aspect of health and safety law	What does it do and what effect does it have?	How does it affect me?	How does it affect my employer?

## Employment legislation

Identify **one** aspect of employment law and explain its importance and relevance to both employees and employers.

Aspect of employment law	What does it do and what effect does it have?	How does it affect me?	How does it affect my employer?
