

## Skills audit

Name .....

Centre .....

### Identify the skills or attitudes you think are necessary for self employment in your chosen area

Identify a minimum of **five** skills or attitudes which you think are necessary for self employment.

Pick them from the list below and add any other skills or attitudes you think should be included.

Useful skills or attitudes	Why I need them for my business	Why this skill or attitude is important
Being assertive		
Paying attention to detail		
Being confident		
Having good communication skills		
Being conscientious		
Encouraging or motivating others		
Being imaginative		
Being innovative		
Being logical		
Being persistent		
Being persuasive		
Being realistic		

Add other skills or attitudes you consider necessary

Useful skills or attitudes	Why I need them for my business	Why this skill or attitude is important
